Beasley's Orchard

Beasley's Orchard is proud to support our local community. We are dedicated to providing Hendricks County with high quality and locally grown produce. By partnering with local not-for-profit groups, we are able to give back to the community. Groups requesting donations or discounted pricing must be a formal, recognized educational, religious, charitable, or community organization.

Discounted Pricing: Groups who wish to purchase produce (apples, pumpkins, etc) for events such as fall festivals or community events may apply for discounted pricing. Donations will not be given of large quantities of produce for fall festivals, etc.

Matched Donation: Groups may request a matched donation for smaller quantities of produce. For example, purchase one-bushel apples, receive one-bushel donation. Payment must be received at time of pick-up.

Donations: A limited number of donations may be made from the orchard. These could be used for silent auctions or giveaways. Fruit Baskets, gift certificates, and produce could be requested.

To apply for consideration, please submit this application to jim@beasleys-orchard.com or mail to the above address. Request must be received two (2) weeks prior to event. We encourage applications be submitted as early as possible. A limited number of discounts and donations will be awarded each season. Priority is given by date of application, as well as, events and organizations that fit most closely with our mission.

Please note: a completed application is not an agreement to honor your request. Donations to non-profit organizations will not be given more than one time per year. A previous donation does not guarantee a donation will be offered again. By accepting a donation from our company, you are giving us permission to publish your organization as a recipient of a donation.

We would like to be able to meet every request, however we are just not able to. We appreciate the time and efforts of your organization and wish you success with your event.
